Congresswoman Lucille Roybal-Allard (CA-34) Offers Assistance with Government Agencies

My staff and I are always pleased to assist you with questions or problems that you might have with federal agencies such as the U.S. Department of Veterans Affairs, U.S. Bureau of Citizenship and Immigration Services, the Social Security Administration, or the Internal Revenue Service. My constituent caseworkers are available to help with a wide-range of federal matters, including problems with Social Security and Medicare benefits, immigration visas and veterans' benefits. Although we cannot order a federal agency to decide a matter in your favor, we can help you get a response. In addition, I have special constituent service office hours staffed by my caseworkers to provide individual assistance to you or your family at different locations throughout the 34th Congressional District. In addition to regular business hours at my Downtown Los Angeles office, my caseworkers are also available to provide individual assistance to you and your family at the following locations: **(Note: Times and locations subject to change; please call the District Office to confirm.)**
