

## Summary for projects submitted to the Water Resources Development Act of 2010

**Requestor/Non-federal sponsor:** The City of Bell  
**Address of the non-federal sponsor:** 6330 Pine Ave., Bell, CA 90201  
**Authorization request:** \$4,701,000  
**Purpose of the project :** to modernize aging sewer systems in order to comply with state regulations, increase capacity and improve environmental soundness of the system.

**Requestor/Non-federal sponsor:** The City of Bellflower  
**Address of the non-federal sponsor:** 16600 Civic Center Drive, Bellflower, CA 90706  
**Authorization request:** \$10,000,000  
**Purpose of the project :** to provide for the planning, design, and construction of water, wastewater and drainage infrastructure projects to increase system reliability, public safety, water quality and environmental compliance with federal and state regulations.

**Requestor/Non-federal sponsor:** The City of Bell Gardens  
**Address of the non-federal sponsor:** 8327 Garfield Ave., Bell Gardens, CA 90201  
**Authorization request:** \$1,500,000  
**Purpose of the project :** to reactivate existing water wells to provide increased groundwater pumping capability for use by the people of Bell Gardens.

**Requestor/Non-federal sponsor:** The City of Bell Gardens  
**Address of the non-federal sponsor:** 8327 Garfield Ave., Bell Gardens, CA 90201  
**Authorization request:** \$2,500,000  
**Purpose of the project :** to provide for the replacement of existing water mains with larger diameter mains to improve overall water service.

**Requestor/Non-federal sponsor:** The City of Commerce  
**Address of the non-federal sponsor:** 2535 Commerce Way, Commerce, CA 90706  
**Authorization request:** \$7,000,000  
**Purpose of the project :** to replace two obsolete and non-operational wells with two new wells thereby increasing storage capacity for the city of Commerce as well as reduce dependence on imported water.

**Requestor/Non-federal sponsor:** The City of Cudahy  
**Address of the non-federal sponsor:** 5220 Santa Ana Street, Cudahy, CA 90201  
**Authorization request:** \$975,000  
**Purpose of the project :** to create a retention basin at a flood site on the Los Angeles River to limit flooding and increase water storage.

**Requestor/Non-federal sponsor:** The City of Downey  
**Address of the non-federal sponsor:** 11111 Brookshire Ave., Downey, CA 90241  
**Authorization request:** \$5,996,000  
**Purpose of the project :** to fund and equip the Water Quality Program which is a comprehensive program that identifies sustainable, multi-benefit solutions based on the city's water infrastructure needs.

**Requestor/Non-federal sponsor:** The City of Huntington Park  
**Address of the non-federal sponsor:** 6550 Miles Ave., Huntington Park, CA 90255  
**Authorization request:** \$2,200,000  
**Purpose of the project :** to ensure that the water reservoir will provide clean potable water to local residents and that the reservoir will be improved to meet California State earthquake damage standards.

**Requestor/Non-federal sponsor:** The City of Vernon  
**Address of the non-federal sponsor:** 4305 Santa Fe Ave., Vernon, CA 90058  
**Authorization request:** \$4,850,000  
**Purpose of the project :** to provide automated closed water systems and rehabilitate both the Vernon Elevated Tank and several reservoirs.

**Requestor/Non-federal sponsor:** The City of Vernon  
**Address of the non-federal sponsor:** 4305 Santa Fe Ave., Vernon, CA 90058

**Authorization request:** \$2,500,000

**Purpose of the project :** to construct a well in Vernon that will provide groundwater and reduce reliance on surface water supplies.

**Requestor/Non-federal sponsor:** Gateway Integrated Regional Water Management Authority

**Address of the non-federal sponsor:** 11111 Brookshire Ave., Downey, CA 90241

**Authorization request:** \$14,800,000

**Purpose of the project :** to protect river and ocean water quality throughout the lower San Gabriel River watershed.

**Requestor/Non-federal sponsor:** Los Angeles County

**Address of the non-federal sponsor:** 900 S Freemont Ave., Alhambra, CA 91803

**Authorization request:** \$100,000,000

**Purpose of the project :** to study the entire San Gabriel River watershed and construct five demonstration projects to limit pollution and improve sustainability of river ecosystems.

**Requestor/Non-federal sponsor:** Water Replenishment District of Southern California

**Address of the non-federal sponsor:** 4040 Paramount Blvd., Lakewood, CA 90712

**Authorization request:** \$20,000,000

**Purpose of the project :** to ensure reliable supply of locally sustainable water for groundwater basin replenishment.

**Requestor/Non-federal sponsor:** West Basin Municipal Water District

**Address of the non-federal sponsor:** 17140 S. Avalon Blvd., Suite 210, Carson, CA 90746

**Authorization request:** \$25,000,000

**Purpose of the project :** to develop up to 48,000 acre feet of recycled water for use by consumers and businesses in the Los Angeles region.
