Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Maywood, Maywood Community Resilience Center in fiscal year 2023.

The entity to receive funding for this project is the City of Maywood, located at 4801 East. 58th Street, Maywood, CA 90270.

The funding would be used to allow the city to install a battery energy storage system resilience center that will provide power to critical loads for at-risk members of the community, including but not limited to cell phone charging, powering medical equipment, lighting, and refrigeration for medicines that will help them adapt to climate disasters and support long-term energy independence.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Lucille Roybal-Allard".
